**MONITORING
AND
EVALUATION
TOOLKIT**

INTRODUCTION

This toolkit provides an overview of why Monitoring & Evaluation (M&E) is crucial and how YOU can contribute to data collection.

Why Your Feedback Matters

The *Let's Dance* campaign is all about creating joyful, inclusive opportunities for people to move, connect and feel good through dance. To keep improving and to make sure the campaign reaches the people who will benefit most, we need to understand what is working well with the campaign and where we can do better.

By completing one of our short surveys, you help us:

- understand who is taking part and what their experiences are
- learn how dance is supporting people's confidence, wellbeing and connection
- identify barriers that stop people joining in
- shape future activities so they are more inclusive, accessible and enjoyable
- show funders, partners and communities the real impact of *Let's Dance*

Your voice directly influences how the campaign grows. Every response helps us build a stronger, more responsive programme that reflects the needs and experiences of the people it serves. Thank you for taking a few minutes to share your thoughts, it genuinely makes a difference.
